I did not receive any "other issues" from the other GSCs. Can you take a quick look and confirm it is ready for Jane? I added info on Canada's being available on April 25<sup>th</sup> as well. I will send to Jane at 4:30.

I wonder if I should send something that tells them what we expect to do under each item. What do you think? Let me know what you think:

Something like this?

**Item 1 Adoption of Agenda**

**Item 2 CEC Budget**

**Item 3 CEC Secretariat Lease**

- Parties to decide whether to authorize ED to sign a new lease for a reduced space.

**Item 4 Next Alt Reps meeting**

- Find a date for Alt Reps in-person meeting. Most recent proposal was for the week of April 23<sup>rd</sup> (per Canada).

**Item 5 Other items**

- OP 2017-2018 cooperative projects
  - Alt Reps to decide on the completion date for the OP 2017-2018 cooperative projects.

Hi Hassen,

Given this is an informal private call requested by the US, there is no formal agenda prepared for the call or any annotated agenda. However, we understand that decisions arising from this informal call will be forwarded to the Secretariat by the Alt Reps Chair given some decisions are critical and we need to have them on file.

Regards,

Nathalie
